Member Registration Form

Annual Membership Requirements:

Mothers and Others relies on each member of this group to volunteer a portion of their time to assist our board members in planning, organizing and carrying out various activities and events throughout the year. In joining this group, you will be requested to volunteer to help in the below categories during the year.

1. Please help break down our meeting room after our monthly meetings. This involves throwing out trash from the food tables, picking up tablecloths, etc. Our storage closet is next door and there are plenty of people to help show you where things go. This is a fantastic way to get to know the other moms while your kiddos are still in the babysitting rooms!
2. Our members and board provide breakfast during the meetings. In order to help share the responsibility and offer enough variety at the meetings we request that you bring a breakfast item for at least 3 of the monthly meetings. (For example: casserole dish, fruit, juice, donuts, bread, bagels, muffins, etc.) The Vice President handles coordination for this via Evite.
3. We ask that each member volunteers 5 hours babysitting on a Saturday night for **1** of our Parent's Night Out Fundraiser's. There are 4-5 other M&O members with you during this time and the Fundraising board members handle all coordination. If you would like to get dibs on a particular month please circle which one though it's not required to commit today: October 18, December 6, February 14, or April 18?
4. Each year our group supports several charities with monetary donations of funds made through our fundraisers, donations of items collected from our membership, and with hands-on volunteering of our time. Please help us in any way you can as everything is greatly appreciated by our charities. Email reminders will be sent to make this important aspect of our group a success.
